

CURI INSURANCE

Solutions that protect you, your practice, & your family

Our approach to insuring independent physicians starts with listening and ends with solutions to help you manage your risk because we care about your long-term success and want to keep you covered.

MEDICAL PROFESSIONAL LIABILITY

Secure our time-tested MPL insurance offering.

Our comprehensive coverage provides the protection you need and the personal attention you want. You'll have multiple coverage and limit options and the ability to select admitted or non-admitted policies.

ALTERNATIVE RISK SOLUTIONS

Build a tailor-made MPL insurance program for your practice.

Our creativity, flexibility, and fierce support for practices and healthcare organizations looking to better control their MPL coverage drives our highly customizable alternative risk offerings.

MEMBER BENEFITS

While you're taking care of your patients, our value-added benefits are taking care of your practice and your future. These may include The Legacy Fund, member dividends, practice advisory services, and strategic partner solutions that range from cybersecurity to HR consulting and more.

OUR DIFFERENCE

Founded on a promise to serve you.

With nearly five decades of service, you can feel confident with Curi. Our deep understanding of your life as a physician helps deliver the insurance products and services you need—inside and outside of your practice. With an "A" (Excellent) A.M. Best rating for 18 years running, you can rest assured that your MPL insurer is financially sound and able to help when you most need us. We're committed to defending good medicine—always.
